

If you have commercial insurance, Medicare and Medicaid managed care plans or other state Medicaid insurance programs, you should ask about a list of in-network providers. If you currently have no insurance, you may be eligible for coverage through the Affordable Care Act. Go to [HealthCare.gov](https://www.healthcare.gov). Please ask to speak with a staff member if you would like help.

For more information regarding clinics search kchealthresource.org. Searches can be done by clinic name or location. The information can also be printed as a booklet, the Health Resource Guide.

You may search for a new adult-care doctor through these websites:

- WebMD Directory

Following are lists of Federally Qualified Health Centers (FQHC) in Missouri and Kansas. An FQHC is a community-based organization that provides comprehensive primary care and preventive care, including health, oral, and mental health/substance abuse services to persons of all ages, regardless of their ability to pay or whether they have health insurance

- Missouri Primary Care Association
- Community Care Network of Kansas
