FOR SOCIAL RESPONSIBILITY

DOING OUR PART TOGETHER

A member-led community service program

Togetherhood™ is the YMCA's signature program for social responsibility. This program invites Y members to lead and participate in volunteer service projects that benefit the community where they live. It is run through individual Y branches as a partnership between a committee of members and a Y Staff Advisor. It is designed to be a simple, fun and rewarding way for members to identify ways that they can give back and support their neighbors through their own ideas, skills and energy, and the network of the Y.

Ways to get involved:

- **Become a Committee Member** - Are you looking to make a difference in your community and have ideas for service projects? Commit to attend monthly meetings, share ideas for community service projects, help plan at least 4 service projects in a year, and recruit volunteers.
- **Become a Committee Chair** - Would you like to lead a committee that is driving change in your community? Commit to plan, attend, and lead monthly meetings; recruit and orient committee members. With Committee support, develop a calendar of projects that engage Y membership, and align with the strategic priorities of the Y.
- **Be a Project Volunteer** - Have you been looking for an easy way to give back to your community? Become a project volunteer! All you have to do is show up and give a little bit of your time and effort. Check out the website below for the volunteer opportunities available through the Y.
- **Partner Organization/Group** - Do you have a project that could use Togetherhood volunteers? Do you have something that a group of Y members and community participants could help with? Become a partner with us and present at a Togetherhood meeting in your community!

Visit KansasCityYMCA.volunteermatters.net for more details on volunteer opportunities.
