

Be Prepared, Be Engaged

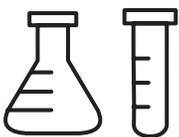

My Diagnosis	My Top 3 Questions
	<ol style="list-style-type: none">1.2.3. 
My Medications	Things I want to talk about.
	

Write it down!

What did my medical team tell me?

Do I need any new procedures or treatments? (lab draw, x-rays, etc.)

My Medicine
(What do I need to know?)

New medicine

Medicine I already take

What do I need to do next?
